25th Anniversary Mahotsav Invitation

Silver Jubilee Celebration

May 26, 27 and 28, 2017 (Fri - Sun)

The **Sunnyvale Hindu Temple** as we have been known for the past two decades, is now entering its 25th year of community service in May 2017. We invite all our devotees and everyone. Please join us with family for our Silver Jubilee Celebrations.

South Bay Hindu Temple at Sunnyvale, CA is one of the earliest temples in the Bay Area. We have been part of the ever growing Indian American community here. We have served the community as a place of worship, helped many non-profit organizations in hosting our community events, hosted memorable personal events (marriages and other functions), organized religious, spiritual, educational and entertainment events with many of prominent leaders from here and from India & more... We are indeed proud of our community, our evolution and always eager to serve back.
